NEWS RELEASE

SANDLAKE-GALLOWAY ROAD PROJECT WORK BEGINS

The contractor of the Sandlake-Galloway Road project will start construction activity in the Sandlake and Galloway Roads in the near future. Initial activities will include various culvert installations and removal of the detour bridge at Galloway Bridge and moving it to the West Beaver Creek crossing on Sandlake Rd about 1 mile West of Hwy 101. Expect possible traffic delays at these locations. Weekly news releases are posted at the following web site:
