

The Board of Commissioners office released the following road related information:

COMMISSIONERS' WEEKLY REPORT  
December 9, 2005

- - - - -

TRUCK JAKE BRAKES

We recently reviewed the citizen requests for jake brake signing in areas where trucks are using unmuffled engine braking. The use of unmuffled engine brakes, except in an emergency, is a violation of existing state law (Oregon Revised Statutes 810.214). If you have a complaint about trucks unlawfully using their jake brakes, please report the matter to the Sheriff's Office.
