

# Public invited to Aug. 3 open house on SR 6/Wilson River Loop interchange alternative

TILLAMOOK — The public is invited to an open house Thursday, Aug. 3, for a project update on the design of the East Jug-Handle interchange alternative for the Oregon State Highway 6/Wilson River Loop and to learn what the next steps are. Members of the project team (City of Tillamook and Tillamook County officials and Oregon Department of Transportation staff members and consultants)

will talk about the plans and answer your questions. They would also like to gather your thoughts on how local circulation and access fits with the East Jug-Handle interchange alternative.

Drop by between 5 and 7 p.m. at the Oregon Department of Forestry Conference Room, 5005 Third St. in Tillamook. A brief presentation and question-and-answer period will take place at 5:30 p.m.
