

## **County road paving**

You may have noticed our county crews out paving some of the county roads. Our plan includes the following list of roads that are getting some pavement this year. We will be paving about 8 miles this year, the most miles of pavement we have put down in quite a few years. Paving crews have started in North County and are working their way south.

**North County:** Falcon Cove Road, Minich Creek Bridge, Foss Road, North Fork Road, Nedonna Avenue, Brighton Boulevard.

**Central County:** Brickyard Road, Bay Ocean Road, Hillsdale Road (300 feet), Whiskey Creek Road, 5th Street/Netarts, Wilson River Loop.

**South County:** Bixby Road, Blankenship Road, McPhillips Road No. 2, McPhillips Road No. 3, Sandlake Road, Brooten Road at Highway 101, Woods-Cloverdale Road, Resort Drive, Ferry Street, Hudson Road, Blaine Road.

Just a reminder to please be alert and drive slowly through the construction work zones for everyone's safety.
