WARNING: Persons who advertise as on-site wastewater system installers may or may not be licensed or bonded with the State. Contact the Department of Environmental Quality 503.229.6402 for license information or access the Department of Environmental Quality Web site at: <http://www.deq.state.or.us/wq/onsite/sdssearch.asp>.

DISCLAIMER: This is not a comprehensive list of all persons licensed to perform on-site wastewater system installations in Oregon. It is only an alphabetical listing of those persons who regularly construct on-site wastewater systems in Tillamook County. This listing does not endorse or warrant the performance of any person(s) or company described herein. A licensee is required to file and maintain a surety bond or equivalent security in an amount set and administered by the State.
