ENGINEER'S CERTIFICATION

I, William W. Hudson, Registered Professional Engineer No 2747 for the State of Oregon do hereby certify that this drawing is the true representation of a survey made by myself of the M.B. Galloway Tract located in Woods, Oregon in September 1950.

It is also certified that Stone "A" the Initial Point for Woods Oregon was located on the ground in good condition and is the N.W. Corner of Lot 2, Woods, Oregon as described in Book E page 2 Tillamook County Deed Records and by a Court decree for the Whiting Tract Quiet Title Suit in 1947.

It is also certified that the S.E. Corner of Fractional Lot 4, Woods, Oregon is located N. 6° 37' W. 40.0 ft. from Stone "A" (established Initial Point for Woods, Oregon) as shown on Book E page 2 but not dedicated in the Tillamook County Deed records. The S.E. Corner of Fractional Lot 4 was also proved to tie with an iron [illegible] for the East Apex Corner of Fractional Lot 6 Woods, Oregon.
