Dear Sir:

Enclosed find tracing for subdivision of Section 36, Township 3 South, Range 8 West. We recently completed this work for the Forest Service. I would appreciate your filing same in county records and notifying Mr. Leonard Whitmore at Hebo Ranger Station U.S.F.S. that this has been done.

There is evidence of some six to ten year old bearing trees at West $\frac{1}{4}$ corner, but can find no justification and no original B.T.'s.

Sincerely,

Bert W. Udell
