South 1/4 corner Sec. 19 between Sec. 19-30, T1N, R9W

1/4 19
20
1 N 9

Found remains of a 48" rotted spruce stub which when coupled with other corroborative evidence we take to be the original called Bearing tree. There are no other large spruce within 200'. This fits the main creek call 3-1/2 tallies east and fits good for latitude and departure from the nearest found corner 2-1/2 miles east. We also find on the nearest trees each side of the line old cruisers marks "C. Pike Mar. 3, 1916".

Set a 2" x 2" cedar stake from the original spruce stub S 16° E 41.5'
Also alongside set a 1/2" x 30" I. pipe from which:

An 18" fir bears N 13° W 37.5' L.W. yellow tag
A 22" fir bears S 55° E 11.8' L.W. yellow tag

East 1/16 corner between Secs. 19-30, T1N, R9W, 4 tallies east of south 1/4 corner Sec. 19 established.

Drove a 1/2" x 30" I. Pipe 50' east of Main Creek bearing north; from which:

A 12" spruce bears S 20° W 12.30' L.W. yellow tag
An 11" fir bears N 43° E 37.33' L.W. yellow tag

Corner is 170' south of Rock Waterfall of side Creek course W.

30 29

Southeast corner Sec. 19, T1N, R9W reestablished.

The corner falls in the middle of a green 17" fir.
Blazed 4 sides and scribed S.C.
From which:

A 5" cedar bears N 36° E 9.6' L.W.
A 27" fir bears N 61° W 29.0' L.W. yellow tag
A 13" Hemlock bears S 77° W 10.3' L. W.
A 17" fir bears S 48° E 11.9' L. W. yellow tag

Corner is 140' south of ridge course S 65° W and 2 tallies north of creek course W-SW

Scribed by R. B. Bass
Witness: T. Budge 5-7-65

N 1/16 corner between Secs. 19-20, T1N, R9W, 4 tallies south of NE corner Sec. 19

Drove 1/2" x 30" I. pipe and set Yew post alongside from which:

A 44" W.R.C. bears N 6° E 5.20' L.W. yellow tag
A 28" W.R.C. bears S 10° W 37.27' L.W.
