

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

This corner was originally set the the G.L.O. in 1880 under Contract No. 364. They set a post and marked two BT's.

- 4" Vinemaple N 76° W 5 lks.
- 4" Vinemaple S 30° E 30 lks.

Description of corner evidence found:

I found no evidence of the original corner or its accessories. In 1895 the County Surveyor set a post and marked 2 BT's.

- 8" Crabapple S 85° E 134 lks.
- 6" Maple S 29° W 116 lks.

This corner was found and a pipe was set in 1924 (A-181). No mention was made as to the method in which this corner was set and it is evident that he came south 40 chains from $\frac{32}{5} \frac{33}{4}$. This pipe was plowed out and another set in its approximate position by Mr. Claus Erickson. I found this later pipe. CS A-1605 uses this pipe for control.

Description of monument and accessories established to perpetuate the original location of this corner

After consultation with the G.L.O., I disclaim this 2" pipe as a valid corner. At proportionate measurement, I set a 2 1/2" x 30" galvanized iron pipe with a brasscap riveted to the top marked:

T 5 S R 9 W
 1/4
 S 5 | S 4
 1975
 RPLS 942

from which:

- 27" Maple N 39° E 94.9 feet
mkd. "1/4 S 4 BT"
- 2" pipe (CS A-1605) S 64° 08' 45" E
210.01 feet

All bearing trees have been banded with red paint and attention signs and BT tags have been attached. All scribes have a 3/4" brass washer, with "LS 942 engraved on it, nailed in the face.

Witnessed: E. W. Tatro
