STATE OF OREGON
COUNTY OF TILLAMOOK

I, Peter P. Walker, residing in Pleasant Valley, South of Tillamook Oregon, being first duly sworn, do depose and say the following:

This is the history of the stake, axle and pipe at the location of the North Quarter Section Corner of Section Twenty-Nine in Township Two South, Range Nine West of the Willamette Meridian which Charles Blake pointed out to me in 1923.

N 1/4 SEC COR
29 25 R9W

I am 80 years old and have lived for 48 years within 200 feet of the subject corner, going by it regularly in and out of my place. In 1920 John Zurfluh owned the land upon which the corner is and Charles Blake had a place to the North. In 1923 I wanted to burn the area and so the location of the corner (then a wooden post, part of which is still wired to the corner pipe) would not be lost, I drove a wagon axle along side of the post and left the axle sticking up a couple of feet. While I was working for Crown Zellerbach I put in a babbit filled bell topped pipe stamped PW with the section numbers on it alongside of the post and axle.
