1990

I set a 1 1/2" iron pipe with 3" Tillamook County Surveyors Brass Cap in a 10" concrete cylinder at the found position of a truck axle, ( 1 3/4" X 42" ), as reported on Tillamook County Surveyors Map #F-40-139.

-----  
History of found Monument

I found this monument to be as reported in the above said map. And the bearing trees found and/or set at that time to now be as follows:

5' cedar stump S.75\*W. 15.8'; (found, now large cedar stump with yellow tag at position). [Original 48" cedar S.75\*W. 24 links].

2' hemlock stump N.45\*W. 17.2'; (found, now rotten stub approximately 4' high axe marks visible). [Original 16" hemlock N.40\*W. 26 links].

12" hemlock stump N.30\*E. 17.8'; (found, now rotten stub approximately 5' high. Scribe marks visible on solid face. Now bears N.43\*E. 17.8'. [Original 6" hemlock N.45\*E. 48 links], distance appears to have been transposed between the SE and NE bearing trees.

\*2' cedar S.50\*E. 80.0'; (found, now 36" cedar with top broken out scribing visible on partially healed face).

In addition I found a rotten 24 " hemlock stump S.30\*E. 32.25' [Original 11" hemlock S.30\*E. 27 Links], distance appears to have been transposed between the SE and NE bearing trees.

New Accessory

- \*13" cedar S.8\*W. 8.28'; scribed T1NR10WS5B.TCS.
- \*15" cedar N.86\*E. 1.34'; scribed T2NR10WS33B.T.
- \*13" cedar N.34\*W. 21.69'; scribed T2NR10WS32B.TCS.
- \*84" hat section post North 1.5'.

All distances to new bearing trees measured to nail with brass washer in face between scribe marks "B" & "T".  
\*indicates yellow metal Tillamook County location tag attached.

-----  
Monument Location

This corner is located 400' Easterly of a Y intersection in a logging road and approximately midway between the two roads formed by the Y. I laid found axle alongside monument. I also attached a Tillamook county location poster on a 15" hemlock on the South side of a gravel logging road approximately 260' North of the corner.
