1990

I found a 3" B.L.M. Brass Cap approximately 24" deep in the Kilchis River Forest road. I set a 1 1/2" iron pipe with a 3" Tillamook County Surveyors brass cap in an irregular mass of concrete approximately 4" deep, stamped as shown at left. I left the B.L.M. cap at position found for an underground monument.

1959

I found this monument to be as reported in Tillamook County Surveyors re-witness book 3 at page 109 and stamped as shown at left. The accessories found and/or set at that time are now as follows:

23" spruce N.55\*E. 158lks, same tree as set by W.E. Anderson in Tillamook County Surveyors Re-witness book 4 at page 72, 8" spruce N.57\*E. 104.0'; (now 49" spruce face overgrown B.L.M. location poster attached).

10" alder S.50 1/2\*E. 52 1/2lks, same tree as set by W.E. Anderson in said book 4, 8" alder S.42\*E. 34.2'; (now a rotten stump).

12" alder S.11 1/4\*W. 49lks, same tree as set by W.E. Anderson in said book 4, 10" alder S.12\*30'W. 31.7'; (now a stump hole).

36" spruce N.33 1/4\*W. 53lks, same tree as set by W.E. Anderson in said book 4, 8" spruce N.32\*30'W. 34.1'; (now 49" spruce face overgrown B.L.M. location poster attached).

I also found the following bearing trees which were probably set by the B.L.M. within the past 1 year as of this time there is no record:

15" maple B.L.M. yellow metal location poster states "S.50\*E. 54lks" dated 5/89; (now S.53\*E. 34.70' to finish nail with Tillamook County Surveyors brass washer in the face).

9" alder B.L.M. yellow metal location poster states "S.16\*W. 45lks" dated 5/89; (now S.18\*W. 28.85' to finish nail with Tillamook County Surveyors brass washer between the bark scribed B & T.

---

New Accessory

\*72" light hat section post bears S.9\*E. 10.45'.

\*indicates yellow metal Tillamook County location tag attached.
