I found a 3" Tillamook County Surveyors Brass cap on a 5/8" iron rod inside of 3/4" iron pipe, 1 1/2" deep, set in concrete. I set a 10" cast monument case around the found monument and encased in concrete.

History of Found Monument

I found this monument to be as described in Tillamook County Surveyors re-witness card #45 and the references set at that time to now be as described below:

SF bolt in the top of a fire hydrant S.45*W. 37.93'; (Found O.K.)

A finish nail in a power pole S.38*E. 32.90'; (Now S.42*E. 32.93' to a finish nail in an axe blaze facing the monument, 33.44' to a cup tack in a scribed triangle on the Easterly side of the pole. The pole number is 216643.

For original plat see Tillamook County Surveyors map #C-89.

Location of Monument

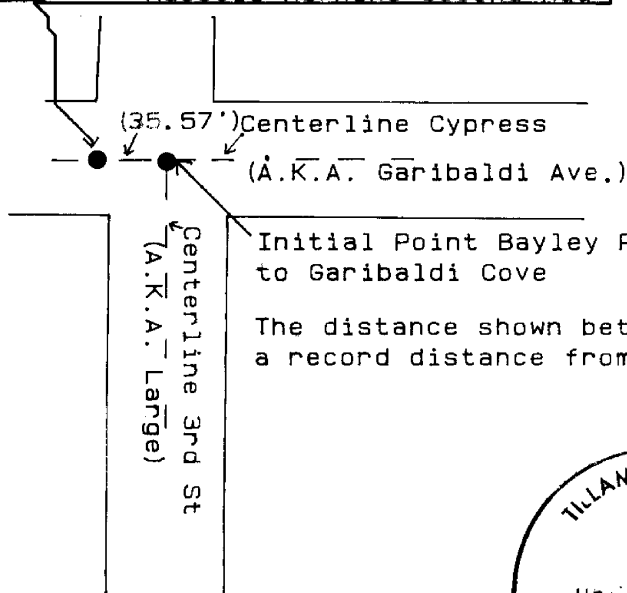

This initial point is located at the centerline intersection of 3rd street (Large Street) and Cypress Avenue (Hemlock Avenue) in the City of Garibaldi.
