

**TILLAMOOK COUNTY ROAD DEPARTMENT
CAPITAL IMPROVEMENT PROJECT LIST SINCE 1988**

This list comes from research of past available files. TOTAL AMOUNT figures shown represent budgeted project costs. For larger, multiple year projects, they are only shown in the Fiscal Year of initial design or construction. FYI: an overlay typically is not considered a capital improvement. However, with each overlay prior to 1998, Tillamook County strived to add extra asphalt width thus allowing it to be considered a capital improvement. After 1997, overlays were not included in the below list unless it was part of a larger project. Tillamook County Road Departments attempts to keep these informational pages up-to-date, however you should contact the office to confirm latest information.

FY	PROJECT	LOCATION	TOTAL AMOUNT	FUNDING BREAKDOWN
1988	Ocean Road Overlay	Manzanita	\$58,000	100% County
1988	Anderson Road Oil Mat	Nehalem	\$25,000	100% County
1988	Mohler Road new Paving	Mohler	\$18,000	100% County
1988	Camp Four Road	Mohler	\$12,000	100% County
1988	Warren Avenue Reconstruction	Bay City	\$80,000	100% County
1988	Wilson River Loop Widening and Overlay	Tillamook	\$60,000	100% County
